

Pinocchio's Moms on the Run is proud to say that 100% of the funds raised by our organization stay right here in our community to help local ladies battling women's cancers. You can feel great about the fact that your dollars are spent on things like keeping the lights on, putting food on the table, keeping a roof over these women's heads and other daily financial burdens these women face as they fight for their lives. Our beneficiaries are often unable to work during treatment. But their bills don't go away. Your generosity will help ease some of their financial stress as they regain their health and fight this terrible disease.

We don't provide a lot of advertising perks for our sponsors. This is a conscious decision that allows us to give back more to the women in need. However, we fully encourage you to shout it from the rooftops that you support Pinocchio's Moms on the Run. Aligning your business with Pinocchio's Moms on the Run will speak for itself. We realize there are thousands of other causes to which you can donate. We thank you for considering sponsoring one of our events. We promise to be great stewards of your hard-earned funds. We'll keep it local and really make an impact.

Pinocchio's Moms on the Run is not about what you get, it's about what you give.
